

How it works is there are shapes. And there are patterns.

What you do is mark now and mark the next day. The reason they are shaped is that so the shape is something easy to understand. So lets say it is minute 28 you find it it a square and line left and right

(round down)

Below is minute

5	10	15	=the same			
20	25	30				
35	40	45				
50	55	00				

↓ +15 minute ↓ +15 minute ↓ + 15 minute

↑ +45 minute ↑+ 45 minute ↑ +45 minute
